TIP OF THE WEEK

Q. How do I use the calendar display when placing food orders?

A. For ease of use, you are presented with a two week calendar view when placing food orders. The calendar makes it easy for you to place orders for a particular child on a particular day.

To place a Food order:

1. Open Qkr! and tap on your canteen menu.
2. On the calendar view tap the date next to your child for which you want to place the order. If you have registered more than one child, the calendar view enables you to place individual orders for each child for different dates. If a date is greyed out you cannot place orders for that date, either because the canteen is not open, or because it is past the cut-off time for that day's orders. Check with your school to confirm the cut-off time.
3. Browse the menu, select items, and add them to your cart.
4. If you are ordering for more than one child you can switch between children by tapping your child's name at the top of the screen.
5. When you are ready to pay, tap 'Checkout' at the bottom of the screen and complete the payment steps.

TIP OF THE WEEK

Q. How can I be sure my child's food order has been received by the school?

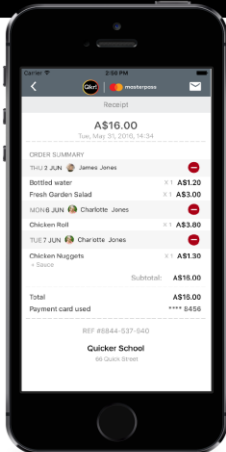

A. Qkr! is the safe, secure, reliable way to pay for school food orders. Your eReceipt is confirmation that the order has been received by the school.

On canteen days the staff print stickers for each Qkr! order containing the child's name, class and order details. Orders are prepared and placed in individual bags labelled with the stickers for ease of identification.

Qkr! orders are much more efficient to prepare than cash orders. Ordering with Qkr!:

1. Speeds up preparation so canteen staff have more time to prepare and serve food;
2. Reduces the time spent on cash handling tasks;
3. Reduces the need for your child to carry cash to school, so no more worrying about lost lunch money.

Check your school's nominated cut-off time for Qkr! Orders. Food orders cannot be placed after the cut-off time, giving the canteen staff sufficient time to prepare the orders.
